Employee Education

Employee Education

Digitalization of workplace includes transforming talent base across the organization

- Internet of Things (IoT)
- Artificial Intelligence (AI)
- Cloud
- Block Chain

IT Department Strategic Plan Major Goals

1) **Build a Smart Community**

2) Enterprise Approach to Systems and Data

3) **Provide Tools and Training to Elevate Organizational Management Maturity**

4) Make IT an Exhilarating Experience

Challenges

1) $$
2) Time
3) Learning styles:
   Classroom/instructor VS self paced / Online
4) Available in AK
5) Timing:
   a) Too soon → Forget
   b) Too Late → Bad habits, Given Up
6) Location
7) Sustainment

Current Efforts

1) MSB and DNR Shared ESRI GIS training
2) MSB Training Room: MS Office 2016, Adobe, Records Management, Project Management
3) Govern System upgrade: lesson learned, initial training, sustained training
4) UA Mat-Su Computer Systems Technology (CST) Department Advisory Council
   Dr. Harry Banks
5) Smart Community Forum today
   1) UAA LMS
   2) BIG Developing Talent
   3) UAA Geomatics
