Data Sharing

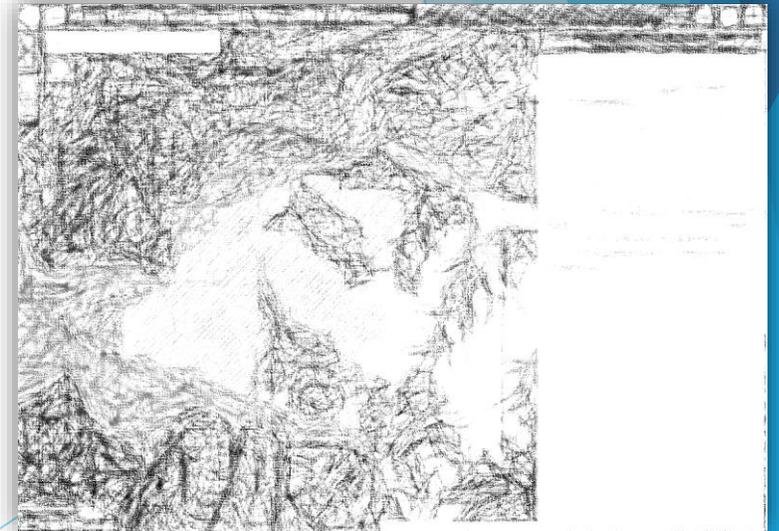

- ▶ We share our data
 - ▶ The public has access to the same data that MOA staff has
- ▶ We use other people's data
 - ▶ Alaska Department of Fish & Game
 - ▶ Alaska Department of Natural Resources
 - ▶ Kenai Peninsula Borough
 - ▶ Mat-Su Borough
- ▶ Verify authoritativeness!

MOA Areas Closed to Trapping

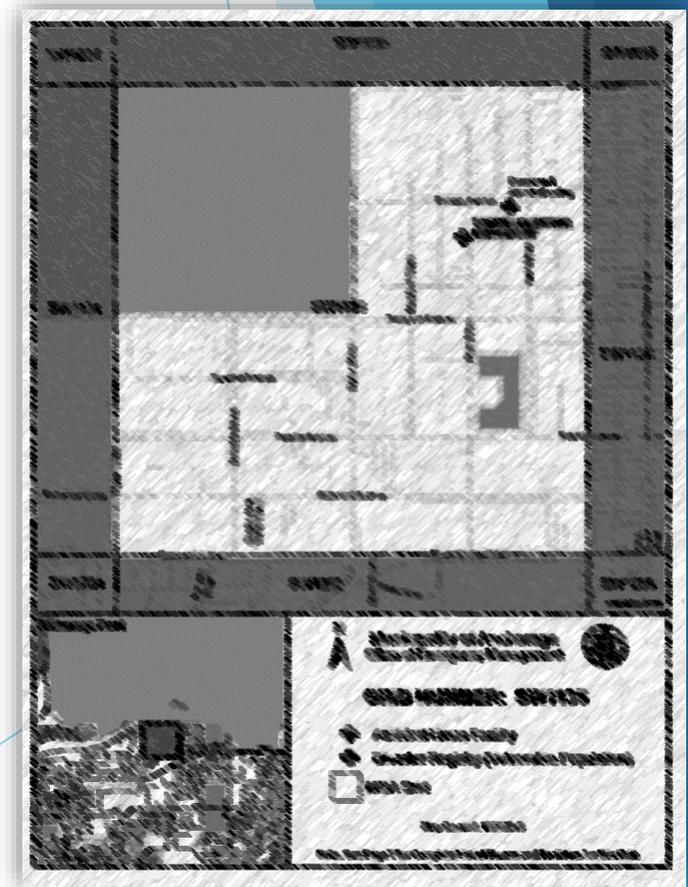

- ▶ New ordinance (5/2019) to expand existing “No Trap” areas
- ▶ Requires MOA to build the new area in GIS
- ▶ Requires data from
 - ▶ Alaska Department of Fish & Game
 - ▶ No trapping area
 - ▶ Alaska Department of Natural Resources
 - ▶ Chugach State Park Boundary

Still under review

Assisted Living Facilities

- ▶ MOA automates download of State of Alaska DHSS listing (xlsx) of Assisted Living Homes (weekly)
- ▶ Addresses are geocoded and used to create mapbooks.

911 System Data

Kenai Peninsula Borough

- MOA accesses GDB link for addresses/streets

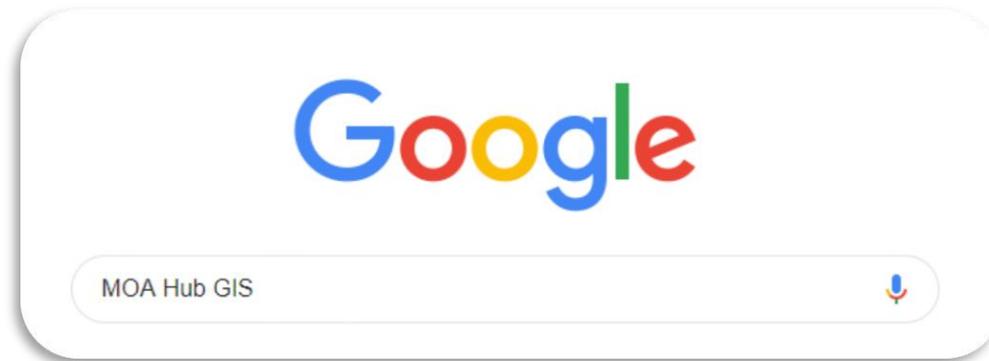

Mat-Su Borough

- MOA Accesses AGOL feature service for addresses/streets
- MOA auto-notifies Mat-Su Borough if we find a duplicate street ID

- ▶ MOA transforms this data to meet our 911 system requirements.
- ▶ It is then distributed to AFD & APD

Thank you!
